The clause no.:15.4, Chapter-3, Tendering Process of Tender Procedure Manual of KPL July-2014, the Essential Qualification Requirements (EQR) is amended as follows.

15.4.1 A) Experience:

- (i) Should have satisfactorily completed the contracts involving similar works of values listed below during the last 7 years ending last day of month previous to the one in which applications are invited
  - (a) Three similar completed works each costing not less than amount equal to 40% of the estimate cost; (or)
  - (b) Two similar completed works each costing not less than amount equal to 50% of the estimated cost; (or)
  - (c) One similar completed works costing not less than amount equal to 80% of the estimated cost;

Note: "Similar Work" means "execution of particular type of work".

The value of the similar works completed by the bidder will be brought to current cost level by enhancing the actual value of work upon completion by using the following enhancement factors.

| Year before  | Enhancement/multiplication factor |
|--------------|-----------------------------------|
| Current year | 1.00                              |
| One year     | 1.07                              |
| Two years    | 1.14                              |
| Three years  | 1.21                              |
| Four years   | 1.28                              |
| Five years   | 1.35                              |
| Six years    | 1.42                              |

### Available Bid capacity

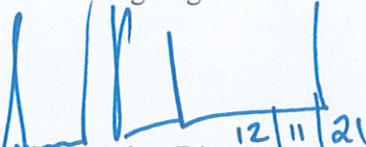

Available bid capacity =  $A \times M \times N - B$ , where

A = Maximum value of engineering (Civil/ Electrical/ Mechanical as relevant to work being procured) works executed in any one year during the last seven years (updated at the current price level), taking into account the completed as well as works in progress.

M = 1.5

N = Number of years prescribed for completion of the work in question.

B = Value (updated at the current price level) of the existing commitments and ongoing works to be completed in the next 'N' years.
